God Created Animals

GENESIS 1:20-25,30-31

In the beginning God made the world. He made the day and night. He made the sky. He gathered the waters together and made dry land. He made plants to grow. He made the sun, moon, and the stars. Four days had passed.

God said, "Let the waters fill with all kinds of sea animals. Let the birds fly in the sky." He saw that these things were good. That was the fifth day.

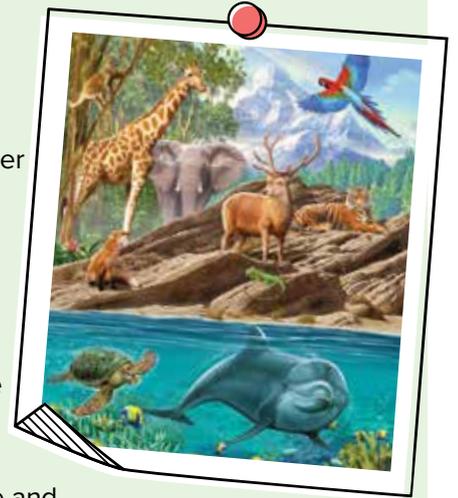

Then God said, "Let living creatures fill the earth—all kinds of animals, cattle and wild animals and crawling animals." God made every kind of animal. God said that the animals would eat the plants and fruit that He had made.

Then God made people. God saw everything that He had made. It was very good. That was the sixth day.

All the heavens and earth were created. God had finished making them. On the seventh day, God rested.

WEEKLY BIBLE VERSE: God saw everything He had made, and it was very good. Genesis 1:31

LIFE POINT: God made animals.

THE BIBLE MEETS LIFE

Parents, today your child heard that God made animals. After creating the earth and providing a source of food, God spoke all the animals—birds, fish, and land animals—into being.

LIVE IT OUT

Review today's Bible story with your preschooler. Help her think of some of the animals God made on days 5 and 6. Name some categories such as farm animals, water animals, zoo animals, forest animals, and so on. Lead your child to thank God for animals.

LEVEL OF BIBLICAL LEARNING

God created the world in six days and rested on the seventh.
