

PARENT LINK DINNER

August 30, 2020

Special Guest: Donald Whitney

QUAILSPRINGS
STUDENTMINISTRY

Dear Parents and Students,

As we begin the school year, we can all agree that it is so different than previous years. In fact, 2020 has been a year unlike any other. As our staff has reflected on the last several months and all that was lost, we have looked forward with great anticipation of what may come. Our staff has repeated this phrase often over the last several months, “The Lord is still working.” It is a phrase that we all know and believe, but there are times we need to repeat it. It has been really easy in 2020 to lose sight, become discouraged, or distracted. This is the enemy’s game, he wants to see God’s people lose vision for what God is doing, become discouraged by circumstances, or become distracted by non-essential matters. This has been the enemy’s game all along, not just for 2020. This is why we as a staff want to remind you, “The Lord is still working.” Don’t allow the enemy to convince you otherwise or cause you to miss it. Here is how we know the Lord is working:

1. We have seen students trust Christ as Savior and Lord during these last six months.
2. We have seen numerous students baptized and others who are lined up to be baptized in the coming weeks and months.
3. We have seen people say “yes” to serving students as connect group leaders, d-group leaders, Wednesday night workers.
4. We have seen and heard of students sharing Jesus with their friends, discipling them, and equipping them to do the same.
5. We have heard testimony of families spending more quality time together, discussing spiritual things, and growing together in the Lord as a result.
6. We have witnessed God answering prayers for healing, salvation, and sanctification in the lives of our families.
7. We have learned of just how much of a positive impact QSBC students are having in their schools and community.
8. We have seen our students and their families be the hands and feet of Jesus by serving meals to those in need.
9. We have heard reports of former QSBC students, now in college, who are plugging into local churches, engaging their college campus with the gospel, and walking faithfully with the Lord.
10. We have seen the Lord bring new people to our ministry, giving us an opportunity to encourage and equip them to be disciple makers.

2020 has taught us that we can make plans but ultimately the Lord determines the steps. As a student ministry, we have made plans for this year, but we fully understand the Lord determines our steps. Because we know this, we are simply clinging to this statement, “The Lord is still working.” Because He is still working, let’s commit to a few things together as a student ministry family:

- 1. Pray** - Let’s pray for each other, our community, schools, friends, etc. Let’s do more praying for others in this school year than any other year. Lets pray that God will bless, save, sanctify, and advance His kingdom.
- 2. Love** - Let’s love each other, our community, schools, friends, etc. Let’s love each other the best way we know how, in the same way Jesus loves us, by laying our lives down. Lets work hard to build each other up and strengthen one another.
- 3. Share** - Let’s share the good news of Jesus Christ better than we ever have before. Let’s make sure every family member, friend, neighbor, co-worker, etc. knows the good news of Jesus.
- 4. Disciple** - Let’s decide who can disciple me and who can I disciple. Jesus commanded us to Go make disciples. Make a commitment to personal discipleship.

We are praying for your family and that the Lord will use this next school year to do something remarkable. We pray that many will come to know the Lord because of the faithfulness of our families. We pray that our students will become disciples who make disciples. We pray that God will do what only He can do, and get all the glory in the process.

2020-2021 Wednesday Night Worship Information

1. Launch Date: August 5, 2020

2. Wednesday Worship Times: Wednesdays at 6:30pm.

3. Wednesday Worship Location: MS and HS students will worship together at The Hill Worship Center for the Fall semester. We will decide on location for the Spring semester at the new year.

4. Face Coverings and Mask: Mask will be required during worship on campus at QSBC because social distancing cannot consistently be practiced. We are also following the school model which is requiring mask to be worn.

5. Social Distancing: We will do our best to make sure social distancing is practiced when students are gathered at The Hill. We will promote social distancing in our gatherings. We will do our best to provide signage and markings that remind students of the importance of social distancing. Seating in The Hill Worship Center will be marked off like the Chapel and Worship Center on the main campus. A mask is required because it cannot be certain that students and leaders will be able to practice consistent social distance.

6. Hygiene: We will also provide hand sanitizer in The Hill Worship Center and The Hill Foyer so that students and leaders have ample opportunity to practice good hygiene. We will encourage leaders and students to wash hands with soap and water for at least 20 seconds. We will encourage all leaders and students to cover coughs and sneezes with tissue or use the inside of their elbows.

7. Cleaning: We will clean and disinfect frequently touched surfaces at least daily and shared objects in between uses. We will also develop a schedule of increased, routine cleaning and disinfection of areas our students and leaders will be in.

8. Possible Symptoms: If a student or leader does not feel well or is showing possible symptoms, we ask that they do not come Wednesday night worship. If a student or leader begins to show symptoms or not feel well while at Wednesday worship, we will immediately dismiss them to go home and inform the families of those who were with them.

9. Online Option: We will offer an online devotion for our students to watch on our QSBC student ministry YouTube account. This will just be the message from the Wednesday night. It will be available each Wednesday at 6:30pm.

10. Food: We will be offering a limited café with candy and drinks at the Hill, the cost is \$1 for everything.

2020-2021 Connect Group Information

1. Launch Date: August 16, 2020

2. Connect Group Meeting Locations: The Hill Worship Center, The Hill Foyer, and The Student Center. On August 16, 2020, all students will meet in the Student Center (9:30 hour) and The Hill Worship Center (11:00 Hour) to find out their new connect group and location.

3. Individual Connect Group Rooms: Connect Group Leaders will choose a location for their group, students will be informed on Sunday August 16, 2020. We know that our current connect group rooms are smaller and may not be able to allow for proper social distancing, so we will be utilizing larger rooms such as the worship rooms in the student center, The Hill worship center, and The Hill foyer to allow for students to space out.

4. Face Coverings and Mask: Mask will be required during connect group meetings because social distancing cannot consistently be practiced. There are two exceptions to this:

- A. If students are participating in an outdoor activity or connect group.
- B. If students are appropriately and properly social distanced indoors.

5. Social Distancing: We will do our best to make sure social distancing is practiced when students are gathered in the Student Center or The Hill. We will promote social distancing in our gatherings. We will do our best to provide signage and markings that remind students of the importance of social distancing. Seating in The Hill Worship Center will be marked off like the Chapel and Worship Center on the main campus. Connect Groups will be encouraged to social distance if possible. Therefore, a mask is required because it cannot be certain that students and leaders will be able to practice consistent social distancing.

6. Hygiene: We will also provide hand sanitizer in the Student Center, The Hill Worship Center, and The Hill Foyer so that students and leaders have ample opportunity to practice good hygiene. We will encourage leaders and students to wash hands with soap and water for at least 20 seconds. We will encourage all leaders and students to cover coughs and sneezes with tissue or use the inside of their elbows.

7. Cleaning: We will clean and disinfect frequently touched surfaces at least daily and shared objects in between uses. We will also develop a schedule of increased, routine cleaning and disinfection of areas our students and leaders will be in.

8. Possible Symptoms: If a student or leader does not feel well or is showing possible symptoms, we ask that they do not come to Sunday Morning Connect Groups. If a student or leader begins to show symptoms or not feel well while in Connect Groups, we will immediately dismiss them to go home and inform the families of those who were in the group with them.

9. Food: We will not be serving donuts for the foreseeable future.
