

Let us consider one another in order to provoke love and good works, not neglecting to gather together, as some are in the habit of doing, but encouraging each other.

An Ethiopian Was Baptized

ACTS 8:26-40

Philip was a man who believed Jesus is the Son of God. He preached the good news about Jesus to others. One day an angel spoke to Philip and told him to go to the road leading from Jerusalem to the city of Gaza.

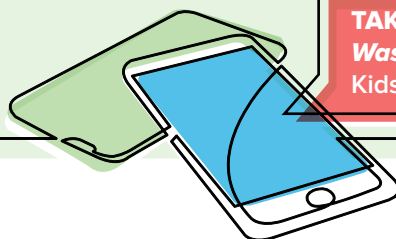

Philip did what God asked him to do, and while he was traveling down the road, he saw a man from Ethiopia who was a high official on the queen's court. This man from Ethiopia had a very important job. He was in charge of all of the queen's money. He had been to Jerusalem and was riding in a chariot on the road. As he was riding, he was reading a Scripture passage written by the prophet Isaiah. God told Philip to go up to the chariot and ask the Ethiopian if he understood what he was reading. Philip obeyed. The Ethiopian said he was not able to understand the Scripture he was reading because he had no one to help him understand it. The Ethiopian asked Philip to sit beside him in the chariot.

Philip read the passage of Scripture with him. The Ethiopian asked Philip who the prophet was talking about in this passage. Philip then explained that the Scripture was talking about Jesus. He told the Ethiopian all Jesus had done. The Ethiopian believed everything Philip told him about Jesus.

The Ethiopian saw some water and asked Philip if he could be baptized. Philip baptized the man from Ethiopia in the water. When they came out of the water, God carried Philip away. The Ethiopian man was very happy and rejoiced because he learned about Jesus.
