People Learn from Jesus

MATTHEW 5:1-2; 6:5-13

One day Jesus went up on a mountain and sat down. Jesus began to teach the people about God. He taught them how God wants people to live. He taught them how God wants people to pray.

Jesus told the people that God wants people to talk to Him because He is our Father. When we pray, we are talking to God. He hears our prayers, no matter what words we use.

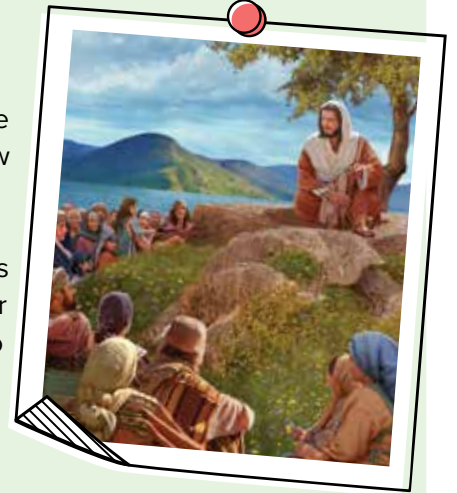

Jesus taught that people should honor God's name as holy. That means that people should do what is right to bring honor to God's name and not do anything that would make Him feel disappointed.

Jesus said that people should ask God to help them do the things that He wants us to do here on earth.

Jesus said that people should ask God to give them the food and things that they need every day.

Jesus told the people that we should forgive people who have done wrong things to us. He also said we should ask God to forgive us for wrong things that we have done.

Jesus also said that we need to ask God to help us be strong and do what is right even when we see other people making wrong choices.

THE BIBLE MEETS LIFE

In today's session your child heard that people can learn about Jesus by reading the Bible and praying. While Jesus was on earth, He taught His followers face to face, but today He teaches us through the Bible.

LIVE IT OUT

After reviewing the Bible story, help your child find other stories about Jesus teaching others. Help him compose a prayer, thanking God for what he has learned about Jesus.
